Robe Repairs

Please let Nonie Booth or Judy Whittle know if your robe (either Cream or Burgundy) are in need of repairs as soon as possible!

A Very Very Special Thank-You!

All I can say right now is "WOW!". You all certainly out-did yourselves this weekend and I am so incredibly proud and appreciative of you each and every one of you!

Thank you all for your dedication and for giving of your time during such a busy season of the year! One thing that I hear over and over is how much people enjoy the different congregations coming together to freely share their musical gifts with the community!

Also, thank you so much for the very generous birthday gift!! You all never cease to amaze me! I truly feel so honored and blessed to be the Director of Music Ministries for such a fine group of people! I love you all and appreciate your generosity, love and friendship more than you will ever know!

Last, but absolutely not least, a very special Thanks to Nonie for being our leader and for the wonderful job that you did! We could not have done this without you and we love you and appreciate you very much! She is most definitely my right hand!

May God bless each of you and our families during this Christmas season and let us not get too busy during the hustle and bustle to take time to remember what the true reason for the season is and that is the Birth of a little baby in a manger who was born to save the world!

Thank you all again and I look forward to seeing you very soon!

Love in Christ,
Jason

Rehearsals & Sunday Mornings

We depend greatly on individuals using the sign-out schedule in the robe room. We refer to this heavily when planning music for Sunday morning. Please remember to sign-out if you will not be here on a Wednesday or a Sunday. If you need to contact me, please feel free to do so as well:
